Extrema Outdoor 2014

The Return of Techno

Eindhoven, 23.06.2014, 15:53 Time

USPA NEWS - With names ranging from Netsky (live), Afrojackand Fedde Le Grand, to Jeff Mills, Tommy Trash and Oliver Koletzki dance festival Extrema Outdoor brings both world stars and underground heroes this year´s 19th edition, of which the full line-up has been announced today. ´XO´ takes place July 12

One of Extrema Outdoor´s main stages, the Diamond Stage, will feature many shows, performances and other sensations. Also music, the international top of Dutch electronic dance music can be found here, with the likes of Fedde Le Grand, Laidback Luke, Bakermat and of course Afrojack. The latter will release his debut album this May, with contributions by Wiz Khalifa and none other than Sting. The famous Nervo twins are also on the roster for the Diamond Stage.

The Return of Techno

This year´s edition sees the addition of three stages. By popular demand techno is back as a genre at XO, and the organization brings its A game. Detroit´s techno king Jeff ´The Wizard´ Mills will play an extended dj set and the techno stage will also feature long performances by the likes of Ben Sims and Len Faki. The second new area promises to be equally as exciting with warm house by Oliver Koletzki and Finnebassen, among others. Underground darling Levon Vincent will headline the “It´s Eindhoven“ area.

Show
After last year´s big success of the opening show, which the public´s smartphones were an integral part of by way of an app - a world premier - the opening show returns as an experience at XO 2014. It will be continued during the day with performances and shows across the festival grounds and capped off with a special closing show.
All information for this year´s edition,including the full line-up can be found at the festival´s website.
